Hi Betty,

It has been nice knowing you.
Hope you have as much fun your
jr. year as I have had. Hope we
don't give you too hard a time next
year. Good-luck Love Ya!

Bobbie Carr

Dear Bette,

Well, another year has managed to flip by and we're at the beach season, again. Does that word make you think of other years?

I want you to know that this "bit o' advice" you gave me, fell for once on fertile soil. I saved myself plenty of hurt feelings. Right now, I hate him ugly, isn't it, but I don't like the way he acts. That Smith guy's got me forever I think.

Lots of Love, to the hottest
Kid I know.

Jo S.

Dear Bette:

I hope you will excuse the writing for
as you can see I am no good at it but
it's a bad habit I've got. But really I have
enjoyed being your friend & fellow classmate
especially in algebra. I guess you
know if you hadn't given me your line
I would have failed. Love

A black and white photograph of three young women in 1940s-style clothing. Two women are seated on a brick ledge; the one on the left wears a light-colored short-sleeved top and a dark skirt, while the one in the middle wears a light-colored short-sleeved top with a dark bow at the neck and a dark skirt. The third woman stands to the right, wearing a light-colored short-sleeved top and a dark skirt. They are all smiling and looking towards the camera. The background shows a brick building with a window.

Student Government

BILL GARDNER
President

The Student Government is the most outstanding and most important organization of our school. Through this organization we are endowed with a true democratic spirit and enabled to promote closer student-faculty co-operation.

There are many departments in the student government, which strive to fulfill all duties and obligations successfully.

Most important of all departments is the Executive Council, an absolute necessity in the administration of the student legislature. This council is composed of ten members headed by the President of the Student Body. This group meets every Tuesday morning and recommends to the other branches of the student government bills or suggestions which they feel need attention.

The Senate is next in importance and is composed of six members from, and the President of, each class.

The largest branch of the student government is the House of Representatives. This is truly the voice of the students for the members of this branch are representing the homerooms.

Those students elected at the close of each school year to assist at social functions are the Social Marshals. This group also sponsors the May Dance.

The Judiciary Branch composed of judges and judicial marshals enforces all laws passed by the Student Congress.

Before a bill is passed from the Senate to the House or vice-versa, it must be approved by the Coordinating Committee, composed of two members from each house.

Truly, the students of New Hanover High School have something to be proud of in their Student Congress.

Student Congress Activities

On January 17, our new gymtorium was packed and jammed with eager spectators, for it was the night of dedication. Among the noted speakers was the President of our Student Body, Bill Gardner.

Several students from the House and Senate worked diligently on plans for this year's Light Bulb Sale, which was a big success.

NATIONAL HONOR SOCIETY

DIANNE SIMON
President

The highest honor New Hanover High School can offer to any student is membership in the National Honor Society. Those fortunate students who are chosen to be in this organization are selected on the basis of outstanding scholarship, leadership, character, and service.

With the guidance and advice of the faculty sponsors, the group successfully played host to the National Honor Society State Convention. Other activities of the group were an honor roll tea, a bridge and canasta tournament, and two induction services.

Everyone agreed that it was a rich and enjoyable year for the members of the society.

EDITORIAL STAFF

The Wildcat

The Wildcat is published by the Journalism class for the Student Body of N.H.H.S. The staff is made up of junior and senior students who are interested in creative writing and being a part of the newspaper. The four main parts that make up the Wildcat are: editorials,

which discuss and interpret student problems; news, which covers activities that are happening around school; features, which appeal to students' varied interests; and two full pages devoted to sports, which reflect the enthusiasm that all the students show.

The Hanoverian Staff worked hard this year getting the annual off to press. Allene Keith, Feature Editor, and Bess Murphy looked through old annuals in search of a good eye-catching theme; and, of course, we think they found one. The Class Staff, composed of Martha Sanders, Editor, Dianne Hewitt, and Beth Taylor worked hard identifying pictures and putting them into the proper envelopes. Mary Ann Keith, Alice Dannenbaum, and Elizabeth Sikes, Activities Editor, kept a file of all Club and Organization pictures. Esther Cleve, Sports Editor, and Edith Stevenson enlarged their section with more pictures. Edith Henry, Manager of the Advertising Staff, kept a record of sales, which far exceeded last year's mark; while Kay Thompkins, Art Editor, drew up all the ads. Last, but not least, the Subscription Staff, Faye Martin and Manager Patsy Baker, donated their home-room periods to sell subscriptions in the lobby.

ROTC

CAPTAIN RAYMOND

New Hanover High School is very proud of its Reserve Officers Training Corps, which was established in 1937. Uniforms and equipment are furnished by the United States Army; also, the administration is composed of officers in the United States Army.

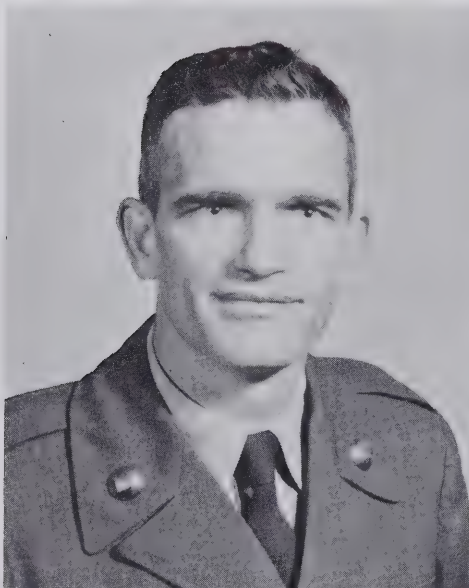

The boys which make up this corp must meet certain qualifications; they must be a sophomore in High School, must be fourteen years of age, and must meet certain physical conditions.

Honor schools throughout the country are determined by means of annual Federal Inspection. The Corp at New Hanover High School has had the distinction of being an Honor Unit for many years.

Five girls from the Senior Class are elected annually by the cadets to be sponsors for the Corp.

Every December the ROTC Battalion sponsors the ROTC Ball. This Ball has as its main attraction the presentation of the officers and their dates.

Rifle Team

The ROTC Rifle Team is one of the most industrious of the various teams in school, carrying on throughout the year. The squad is composed of approximately twenty members, chosen by competitive firing.

The Rifle Team competes in matches starting on an inter-school basis and can proceed as high as competing in the national championships, as they did in the last school year. Before the team can compete in the National Matches the team must first earn the right to shoot in that match by firing in the top thirty per cent of all teams in the Third Army Area which includes Puerto Rico and the Panama Canal Zone. The Rifle Team also competes in local matches against anyone who challenges them.

Rifle Team training is not easy. In addition to shooting each member must take physical exercises designed to strengthen the muscles needed for steady shooting. The team practices each school day with very minor exceptions.

First row: Alvah Stanland, Donald Fountain, J. E. Carrol, David Bennett, Rolin Barrett, Earl Douglas Thomas. *Second row:* Tommy Marshburn, Larry Conoway, Johnny Farrell, Dan Packard, Patrick McBennett, Phil Garner, Dallas Orrell, Gerald Blizzard, Nomikos Patellis, Jimmy Connor, Bill Rogers, Wiley Johnson, Michael Mallory, Chris Spivey.

Cheerleaders

The cheerleaders were one of the most important groups in connection with the athletic department. Under the direction of Mrs. Tillett, they practiced faithfully every week to give New Hanover one of the best cheering squads it has ever had. They were a fine group of girls who represented our school at home and at out of town games. This year three sophomore girls were a welcome addition to the group.

In basketball and in football, they gave the boys on our teams, that boost of morale which is necessary to keep the team's spirits high.

Many thanks to you, our cheerleaders, for the fine job you have done this year.

Our Coaches

Coaches Winfred Johnson, Leon Brogden, Jap Davis, Billy Brooks.

Coach Leon Brogden, head of the athletic department has led the New Hanover team to victory many times in football, basketball and baseball. The newest and largest gym in the state has been named Brogden Hall in his honor, for the many services he has rendered our school. In the many years he has taught and coached athletics at our school, he has become known as one of the best coaches in our state. He not only helps the boys to become good ball players but he builds character and an understanding of and respect for fair play and good sportsmanship.

The other coaches gave their able assistance to make each department of the athletics a success. Jap Davis, along with Brogden, coached varsity football, basketball, and was in charge of the Tennis and golf teams. Coach Johnson gave invaluable coaching aid to the members of the Junior Varsity teams. Coach Brooks was a willing and competent coach of the baseball team working along with Brogden.

These coaches gave their time and efforts to help better our school athletics. To each of them our most sincere thanks for a job well done.

This year the Junior Varsity Football team had a very successful season. These boys, mostly Sophomores are the coaches hopes for the future. On them depend the success of New Hanover's football team for the next year.

As the JV's met each team they played outstanding ball with losses as well as wins. All in all, though, no coach could very well complain.

We, the students of New Hanover High, are proud of the 1953-54 Varsity Basketball squad. To us they were the real champions although they were only credited with the second place honor. We know that each boy did his best as he played each game and that was enough for us.

This year we are even prouder of the players. They too, have shown evidence of hard work during the 1954-55 season. The sportsmanship that was displayed by each player was also something to be proud of. It makes each of us proud to be a part of New Hanover and proud to know each team member when they represented our school in such a way as they did.

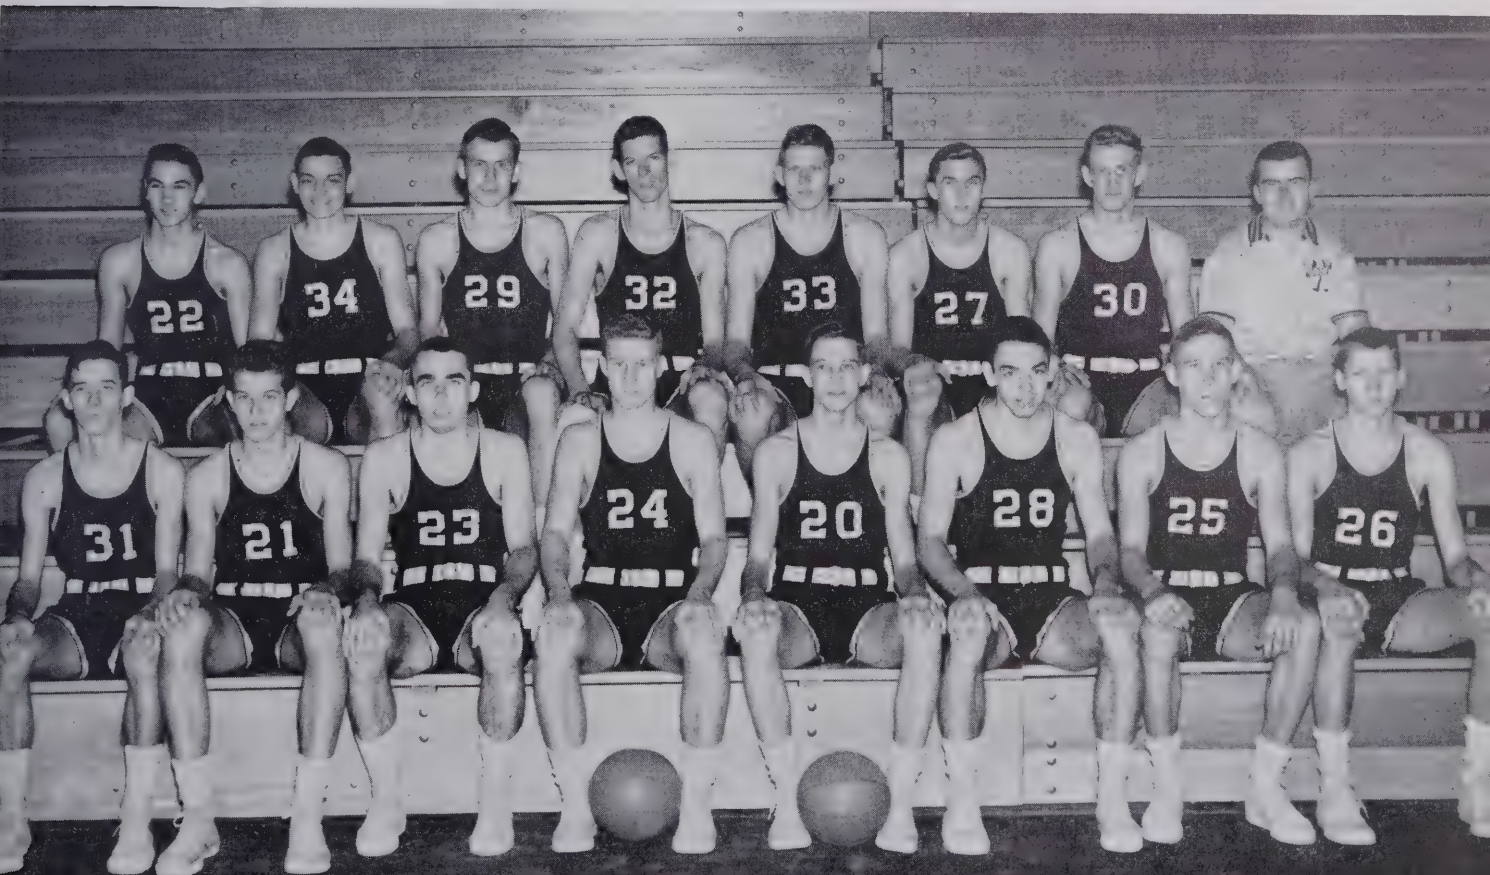

Congratulations to you, the members of the Wildcat Basketball team.

BASEBALL

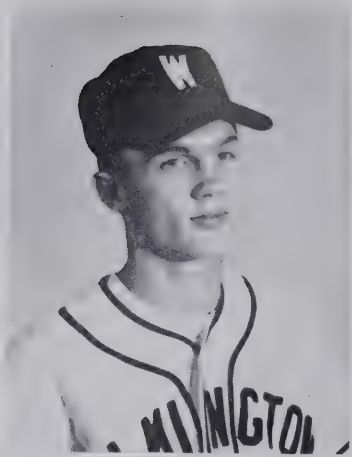

The 1954 Baseball team marked up another championship year for New Hanover. Under the direction of Coaches Brogden and Brooks, the boys worked extremely hard to achieve the honor of winning the Eastern Championship. Those who helped win this honor and who are still playing for the WILDCATS are pictured

This year's team, with Bob Moore and Houston Hales as Co-Captains, has also done an excellent job, and we would like to extend our thanks to each of them.

I always remember the first time I dated you. Afterwards you said you were scared. I would show up. Well, I was. I had to have someone to walk to the door with me. I sure was mixed up back around the first of the year. I must admit I should be straight up now, but you never can tell. I have never had as good a time with anyone and I'll probably never again have as much fun. All the time we dated we dated with "Dean and Monk", they sure were great. I guess your mother thought I brought you home late. It seems that I could never get you there one time. Remember the day we went to Brook Green Gardens. That was a lot of fun. With you driving I didn't think we would make it home once or twice. We had many misunderstandings but they all seemed to be because of stupid little me. The night of the Football Finals Dance I really pulled a lever. I'll probably always be sorry for not dating you, but when I came over after the dance you didn't seem to mind. The day we went down to Mond's when it was snowing. That was great fun, fighting in the snow and sliding off the sled on those inter tubes. Remember I got my coat shirt and sweater. It was really a loss. Well it looks like no matter what I do I won't be here this summer to go to the beaches and see all the chicks. If I go to the A.F.A. I will work until July then leave for Denver. If I don't I am going to work on a bridge which will go from here to Charleston, Savannah, and then Jacksonville. As I said before this year has been the greatest and you helped very much to make it so. Best of everything in the next two years in high school and when you go to nurses school. Maybe, I'll be seeing you.

Betty,

I sure have enjoyed being
with you this year. It has
really been great fun. I
wish you the very best
of everything in every walk
of life. You really deserve
it. Here's hoping next year
will be as fun as this year.

Stay as cute and sweet
as you are now and
you can't ~~come~~ fail.

Love ya,

Bette,

I've known you for eight years now
and everyone of them have been packed
with good times. I mainly remember the
song "Honey Bun." That always reminds
me of you when I hear it. I wish
you all the success and happiness
in the world and I think you deserve
a lot of it.

Love ya
Yvonne

This is your first year at high
school and only the beginning of
your fun. I hope you have as good
time as I have.
I hope you get everything you wish
for. Best of luck always to a real
cute girl. Be careful with my big
baby brother! That's just a warning
from someone who knows! See ya
on the beach.

wishes all ways.

Dear Bette,

I don't think I'll ever forget
all the scraps we've been in
together and all the fun. Leave
it to you to think up some
thing, crazy & do (w/ of course with
my ideas combined we're really
"think up" some whoppers).

To put on the serious side of things
for a minute, I'm wishing you the
best of luck ever 'cause you really
deserve it. Here's to a great friendship.
Love ya,
Evan
